Fiducian Fundraiser to Help Disadvantaged People in India Restore Their Eyesight

Fiducian Annual Charity Golf Day & Dinner - Killara Golf Course - Thursday 29 March 2012

Fiducian Portfolio Services Limited (ASX: FPS), a leader in financial services, will be hosting the Fiducian Annual Charity Golf Day at Killara Golf Course on Thursday 29 March 2012, in an effort to raise funds for Vision Beyond Aus.

All funds raised will be donated to Vision Beyond Aus, an international project co-ordinated by Sydney Rotary which aims to provide free eye surgery to financially disadvantaged people in India and build bridges of friendship between the two countries.

The Vision Beyond Aus project supports a team of Australian eye surgeons, anaesthetists, doctors and orthoptists who volunteer their specialised skills and time at no cost.

Fiducian Managing Director, Indy Singh said "Last year we supplied vital surgical equipment for the India project and the surgical team helped 180 persons regain their vision. This year we aim to increase the number to over 360 persons, so we need all the help we can get".

Corporate and Funds Management leaders, staff from Fiducian Portfolio Services Limited and members of Sydney Rotary will take to the course at Killara Golf Club, 556 Pacific Highway, Killara NSW.

Participants will enjoy an 18 hole round of golf and a three course dinner prepared by Killara's popular chefs. A silent auction of fantastic prizes and memorabilia will then take place.

Singh, said he was looking forward to the opportunity to support Vision Beyond Aus and the work they do to help disadvantaged people who desperately need eye surgery.

The Fiducian Group is a specialist financial services organisation established in 1996. Fiducian provides financial services through four key areas: wealth management and financial planning, funds management, portfolio administration, accounting, accountancy resourcing and information technology.
