Fiducian Portfolio Services Limited (ASX: FPS), a leader in financial services, will be hosting the Fiducian Annual Charity Golf Day at Killara Golf Course on Thursday 21 March 2013.

All funds raised will be donated to Vision Beyond AUS an Australian registered charity also supported by the Rotary Club of Sydney which aims to provide free eye surgery to financially and socially disadvantaged people in India.

Fiducian Managing Director, Mr Indy Singh said "We were able to supply vital surgical equipment and surgical teams to restore the sight of 1,180 people last year. But this year, we have bigger ambitions to increase that number to help over 2,400 people regain their sight. So we need everyone's help in reaching this goal".

Corporate and Funds Management leaders, staff from Fiducian Portfolio Services Limited and members of Sydney Rotary will take to the course at Killara Golf Club. Participants will enjoy an 18 hole round of golf and a three course dinner prepared by Killara's popular chefs. An auction of various items and memorabilia will then take place.
