Fiducian Charity Golfers Tee Off to Help People Restore Their Eyesight

Fiducian Annual Charity Golf Day & Dinner - Killara Golf Course -Thursday 24 March 2011

Fiducian Portfolio Services Limited (ASX: FPS), a leader in financial services, will be hosting the Fiducian Annual Charity Golf Day at Killara Golf Course on Thursday 24 March 2011, in an effort to raise funds for Vision Beyond Aus.

All funds raised will be donated to Vision Beyond Aus, an international project co-ordinated by Sydney Rotary which aims to provide free eye surgery to financially disadvantaged people in India and build bridges of friendship between the two countries.

The day-long event will begin with a training clinic by Australian Professional Golfing Association's Holden Young Lions, after which a 'shot-gun start' at 12:30pm will have competitors racing to their allocated tees.

Corporate and Funds Management leaders, staff from Fiducian Portfolio Services Limited and members of Sydney Rotary will take to the course at Killara Golf Club, 556 Pacific Highway, Killara NSW.

Participants will enjoy an 18 hole round of golf and a three course dinner prepared by Killara's popular chefs. A silent auction of fantastic prizes and memorabilia will then take place.

Fiducian Managing Director, Indy Singh, said he was looking forward to the Fiducian Annual Charity Golf Day and to the opportunity to support Vision Beyond Aus and the work they do to help disadvantaged people in India who desperately need eye surgery.

"We are delighted to give of our time and energy in supporting a worthy cause as Vision Beyond Aus, where it is anticipated that approximately 100 visually impaired persons will receive surgery to restore their eyesight and in addition, over 700 patients could receive free consultation this year".

The Vision Beyond Aus project will send a team of four Australian eye surgeons, two anaesthetists, an orthoptist and a specialised ophthalmic nurse to India later this year where they will contribute their specialised skills and time at no cost.

The Fiducian Group is a specialist financial services organisation established in 1996. Fiducian provides financial services through four key areas: wealth management and financial planning, funds management, portfolio administration, accountancy resourcing and information technology.

Ends.
