### Fund Description

The Fiducian Capital Safe Fund is intended to provide a secure return with low risk of capital loss relative to other investment categories. Approved investments include Australian Dollar short-term deposits, cash equivalent securities and fixed interest investments, where the latter could include some income generating equity backed securities. The return may be above cash returns when interest rates are falling and below cash returns when interest rates are rising.

<b>Fund Classification</b>	Core/Diversified	Sector	Specialist/Satellite
----------------------------	------------------	--------	----------------------
