

## Fiducian expands SMSF admin offering

SYDNEY – Administration of SMSFs will become easier due to the continued expansion of Fiducian into this complex area.

To ensure that a large scale administration capability is available and managed daily, normal back office and administrative processing for SMSF transactions will be managed by Fiducian that has a near 20 years track record in providing superannuation & investment administration services.

In addition to the above expansion, is the appointment of Ms Sujatha Sathyanarayanan whom takes on more day-to-day oversight for SMSF Administration tax compliance and audit services through Fiducian Business Services Pty Ltd, a registered tax agent and subsidiary of the Fiducian Group Limited.
